## **PURCHASE & SALE TRANSACTIONS**

The Tucker Firm represents buyers and sellers of real estate in transactions for the purchase and sale of real estate. Our attorneys provide thorough services in real estate transactions to ensure that the real estate investor is adequately protected in the transaction. In each transaction, our experienced attorneys analyze numerous documents, including the purchase contract, property inspection report, reports on code violations and other legal matters, condominium documents, settlement statement, note and mortgage, deed, title insurance policy, and closing documents.

## **LIMITED LIABILITY COMPANIES**

The Tucker Firm forms limited liability companies and series limited liability companies to hold title to real estate. Limited liability companies protect a real estate investor's personal assets by preventing them from being reached to satisfy legal claims arising from the investor's real estate holdings. In addition, our attorneys structure real estate holdings to prevent each property from being subjected to legal claims that arise from the investor's other properties.

## LEASING

The Tucker Firm represents landlords and companies in the leasing of residential and commercial space. Our attorneys draft residential leases for landlords to reduce the landlord's exposure to legal claims, and we draft commercial leases for companies that are landlords and tenants. We also counsel residential landlords to enable them to comply with the stringent landlord-tenant ordinances that impose substantial penalties on landlords for their noncompliance.

## 1031 EXCHANGES

The Tucker Firm represents property owners in executing 1031 Exchanges to defer income tax on the capital gain generated by the sale of real estate. Our attorneys are particularly skilled at executing 1031 Exchanges because our attorneys include individuals who are also CPAs.

In 1031 Exchanges, our attorneys draft provisions in the purchase contract to allow for the exchange, draft escrow agent instructions, properly identify replacement property, prepare an intermediary exchange agreement, and draft other required legal documents.
